FOUNDATION FOR REGISTERED NURSES OF MANITOBA INC.

POLICY STATEMENT 9	Subject :	Dennis D. Norbury Award
	Department :	Awards
	Last Reviewed:	May 2010

POLICY

A maximum award of $500 will be dispersed annually to a practicing CRNM member who is a part-time or full-time student enrolled in a BPRN, Certificate program or Graduate studies outside of U of M.

The program or specialty in which the applicant is studying must be obstetrics or palliative care.

APPLICATION OF POLICY

There is no separate application form for this award. The Committee will review all BPRN, Certificate and Graduate applications for eligibility of this award. If none of the applicants meet the requirements, the award will not be dispersed that year. This award may be awarded in conjunction with another FRNM award. FRNM in conjunction with Volunteer Home Support will disperse the award within three months of the deadline date.

SELECTION CRITERIA

1. Resident of Manitoba.
2. Academic achievements, including publications related to obstetrics or palliative care.
3. Work history in obstetrics or palliative care.
4. Community service and volunteer work in obstetrics or palliative care.
5. Involvement in professional/interest groups related to obstetrics or palliative care.
6. Future career and academic goals related to obstetrics or palliative care.
7. Qualities as outlined in reference form.

RECIPIENTS' OBLIGATIONS

1. Advise the Foundation of any change of address while enrolled in the program.
2. Submit to the Foundation proof of successful completion of the program.
3. Return the total amount of the award immediately or as arranged by the Foundation should the program not be completed by the specified date.
