

Popular Gunn's Bakery in demand for its catering expertise

By MYRON LOVE

For his third-born son's bris last week at the Berney Theatre, Rami Kleinmann, Winnipeg's new JNF shaliach, hired Gunn's Bakery to do the cater-

ing. "Gunn's was highly recommended to us by friends," he says. "We have experienced Jewish caterers in Israel, the United States and Australia and Gunn's ranks

with the best." Sharon and Mark Kaye are among those who would highly recommend Gunn's catering services. "For both our sons' bar-mitzvahs, we left it to Fivie and Bernie to do it all," says Sharon Kaye. "They were a pleasure to deal with. They were very accommodating. They made it all very easy and worry free for us. And the food was delicious."

Although better known as bakers, Fivie and Bernie Gunn have been offering catering service for bar and bat-mitzvahs and other occasions for the last ten years.

At a Gunn's-catered bar/bat-mitzvah, you will find tables resplendent with the most outstanding food. Gunn's offers a full range of crisp and flavourful salads and pasta salads. To compliment the salads, Gunn's deliciously well-filled party sandwiches assembled on the freshest assortments of breads bring rave reviews.

For your buffet selection, Gunn's Bakery offers a large variety of delicious foods, some exclusive to Gunn's - such as cold poached salmon served with a wonderful dill sauce, a falafel bar complete with fresh vegetables and tasty sauces, our gourmet pizza together with a complete pasta table prepared with our own homemade sauces, oven-roasted vegetables and garlic bread sticks.

"Our wonderful cheese table is a work of art. Stuffed bries and tasty cream cheese

Gunn's fruit platter.

combinations together with our fancy bread display will satisfy the most critical tastes.

For the pastry table, Gunn's of course has a wide selection of great tasting and creatively decorated tortes, cakes, logs and flans. They make smooth, creamy cheesecakes that come in many flavours and are also decorated beautifully. Set in the centre of the table of pastries and tortes is a beautiful fruit display featuring choice fruits available.

"We welcome the

opportunity to sit down with people, discuss their bar and bat-mitzvah needs and offer the benefit of our experience," Fivie says. "We work closely with the people we deal with in making sure we cover all the bases. When we cater a function, our staff are always immaculate looking, professional, polite and unobtrusive. We realize how important the function is to the client and we do our best to remove the stress and provide a worry-free event."

In addition to life cycle events from brit milot to bar/bat mitzvahs, weddings, shivahs and unweillings, Gunn's also caters office meetings, parties and community functions. Recent assignments have been the dedication of the Freeman Family Foundation Holocaust Education Centre at the Asper Jewish Community Campus and an event for the Manitoba Child Care Association that drew over 1,000.

"There are many ways to carry on Jewish traditions," says Rami Kleinmann. "Jewish food has a central place in our lives. It is good to see that Winnipeg has such a first class caterer who is also introducing the wider public to the pleasures of Jewish gastronomy."

To make an appointment with Bernie and Fivie to discuss your catering needs, phone: 582-2364.
